Greetings:

For several years, San Francisco Bay Area Christians have come together on "fifth Friday nights" for an evening of congregational singing. To continue this opportunity for praise, encouragement, and fellowship, the West Oakland congregation is pleased to extend this invitation to Bay Area Christians to join us on **Friday, 6 May 2011, at 7:30 p.m.**

We have postponed this event for one week in order to avoid scheduling conflicts. We hope that this change is convenient and will allow for a high level of support and participation.

Please find enclosed a poster that includes a map. We are looking forward to seeing you later and sharing an evening in song.

Yours in Christ,
